GENERAL INFORMATION

NOTICE

As of **January 1, 2003**, any hound which is first-time entered in a trial, must have a copy of the hound's registration papers to send in with the entry. This is true if the hound is entering Open, Veterans, Singles, or Limited for the first time.

FOOD

Breakfast and lunch will be offered at the field by Red-Eye Smokers.

HOTELS

HOUND CERTIFICATION RUNS WILL NOT BE OFFERED

(See the back of the entry form. Keep for spares for another time.)

Hound Certifications: Any entry marked First time entered must present the judge-signed ASFA hound certification or waiver certificate to the secretary BEFORE entries close. Include the certificate with your entry. Make a copy for your records before sending. Entries without a hound certification / waiver certificate will be considered incomplete and will not be accepted. In addition, any entry marked First time entered must also include a copy of the hound's registration paperwork. Entries without this registration paperwork will be considered incomplete and will not be accepted.

SINGLES STAKE

ATTENTION: As of **January 1, 2012**, the Singles stake is now a regular stake which means it must be offered at all ASFA Field Trials, except at Regional Invitationals, International Invitationals, and Breed Specialty Trials. Since it is a regular stake, the entry for the Singles stake cannot be limited in number (your club may still limit overall entries, but not entries in any one stake).

The rosette awarded to the highest placing qualifying Single is navy/gold at a regular ASFA field trial. If there is a tie for first place, ties shall be run off using the same protocol as judging the Singles stake. Hounds competing in the Singles stake are eligible to earn a Title of Coursing Proficiency (TCP) and a Title of Coursing Proficiency Excellent (CPX). These titles are not available to hounds in the Limited Breeds.

For point requirements for the TCP and the CPX titles, please refer to the ASFA website and the Trial Forms tab. The POINT SCHEDULE document will have this explanation.
